Eligibility

To be eligible for ARBenefits retiree coverage:

- 1. Employees hired before July 2022 must be an active member of the ARBenefits plan on the last day of their employment; OR
- 2. Employees hired after July 2022 must have five (5) cumulative years enrolled on the plan; and
- 3. Begin drawing an annuity through their participating retirement system.

You have thirty (30) days to enroll in retiree coverage after meeting all three above criteria.

If you gain other group coverage upon retirement, you must enroll within thirty (30) days of losing that coverage.

Non-Medicare Retirees

If you are not yet eligible for Medicare, you can still remain on ARBenefits health insurance.

You must notify EBD of your retirement from the state so EBD can terminate your active coverage. You can elect to continue working or become a dependent on your spouse's coverage

Medicare Retirees

Medicare eligible retirees can select from the two Medicare plans with ARBenefits starting the first month of Medicare eligibility.

Ninety (90) days prior to turning sixty-five (65), you will receive a Pre-65 Election Request Letter. You must submit your completed Retiree Election Form and all other required documentation to EBD forty-five (45) calendar days from the date of the Election Request letter.

To enroll in Medicare Part A & Part B and learn more, you can:

- Visit https://www.medicare.gov
- Call 1-800-MEDICARE (1-800-633-4227)

You will need to provide EBD with a copy of your Medicare card showing the start date(s) of your Medicare Part A & Part B.

Medicare Retiree Plan Options

Medicare-eligible retirees can enroll in either the UnitedHealthcare (UHC) Group Medicare Advantage with Prescription Drugs PPO Plan (MAPD) or the Health Advantage (HA) Medicare Primary Plan.

Option 1 Provided by UnitedHealthcare

The ARBenefits UHC MAPD plan differs from other Medicare plans you might see advertised and is designed specifically for state and public school Medicare-eligible retirees. The ARBenefits UHC MAPD plan includes the benefits of Medicare Part A, B, and D (you cannot enroll in a separate Part D plan under this option).

Additional benefits include:

- The ability to see any provider (in or out of network) as long as they accept Medicare
- Free gym memberships
- · Enhanced hearing and vision benefits
- Dental coverage
- Drug coverage with drug list managed by UHC

For more information:

- Call UnitedHealthcare: 1-844-488-3953
- Visit: www.transform.ar.gov/employee-benefits/retirees/medicare-advantage

IMPORTANT: You can only be enrolled in ONE (1) Medicare Advantage Plan or ONE (1) Medicare Prescription Drug Plan (Medicare Part D) at a time. If you enroll in ANY other Medicare Advantage or Medicare Part D plan, you will AUTOMATICALLY be disenrolled from the ARBenefits UHC MAPD Group Plan and lose the benefits you have selected.

Option 2 Provided by Health Advantage

The Health Advantage Medicare Primary Plan coordinates with your Medicare Part A & B benefits.

Public School Employee Medicare retirees do <u>not</u> have prescription drug coverage under the Health Advantage Plan and have to enroll in a separate Part D plan for drug coverage.

EBD will pay your physician claims like you have Medicare Part B coverage, even if you choose not to participate in Part B.

For more information you can contact EBD at: 1-877-815-1017.

Remember: If you cancel your ARBenefits retirement coverage to leave the plan for any reason OTHER than gaining employment with an Arkansas state agency or an Arkansas public school district, that cancellation is FINAL and you cannot return to the ARBenefits plan.

Coordination of Benefits with Medicare

The Health Advantage Medicare Primary Plan will coordinate as if Medicare Part A and Part B are both in force at the time of service. If you do not have Medicare Part B, the Plan will pay as though you have Medicare Part B, and you will be responsible for any incurred claims.

Medicare Part A (hospital insurance) does not usually require recipients to pay a monthly premium. Medicare Part A includes coverage for:

- Inpatient hospital stays
- Hospice care
- · Skilled nursing facility care
- · Some home health care

Medicare Part B (physician insurance) is optional and usually requires a monthly premium. Medicare Part B includes coverage for:

- Certain doctor services
- Outpatient care/Medical supplies
- Preventative services

Examples of patient responsibility/liability with and without Medicare Part B:

Your payment with Medicare Part B

Office visit: \$150

Medicare approved: \$110 Medicare payment: \$88 Medicare write-off: \$40 ARBenefits payment: \$22 Member amount due: \$0 Your payment without Medicare Part B

Office visit: \$150

Medicare approved: \$110 Medicare payment: \$0 Medicare write-off: \$40 ARBenefits payment: \$22 Member amount due: \$88

Medicare Part C (Medicare Advantage) is another Medicare health plan choice that provides all of your Part A and Part B coverage and many also provide Part D. Medicare pays a fixed amount to companies offering Medicare Advantage Plans and they must follow the rules set by Medicare.

Medicare Part D is a prescription drug plan that can be provided under a Part C plan or sold by private insurance companies.

Part D coverage is included in the UHC MAPD plan and if you sign up for a Part D plan while on the MAPD plan <u>you will be kicked off and not permitted to return to any ARBenefits plan</u>.

Public School Retirees do not have drug coverage included with the Health Advantage Primary Medicare Plan.

Retiree Open Enrollment

You are only allowed to change plans during the Retiree Open Enrollment Period. You are not permitted to add any other dependents as part of Open Enrollment.

If you do not wish to make any changes to your plan during Open Enrollment, then no update is needed from you.

Any changes made during Open Enrollment with take effect January 1 of the following year.

Life, Dental, and Vision Insurance

Life Insurance

If you want to continue any Colonial Life coverage in retirement you must submit the Colonial Life Election Form. If Colonial Life does not receive your election form within thirty-one (31) days after your retirement date, then you cannot regain that coverage later.

The Arkansas State Employee Benefit Advisors (ARSEBA) has more options for life insurance coverage for retirees. Contact them to discuss those options at 501-224-5234.

Dental and Vision

Dental and vision are also provided through ARSEBA. For more information or to enroll, visit www.mysmilecoverage.com/SOAR.

For retirees on the UHC MAPD Plan, dental and vision coverage includes an annual eye exam, a \$150 annual allowance for glasses or contacts (not related to cataract surgery), and limited preventative dental care (review plan for allowances). UHC MAPD Plan members are allowed to enroll in additional dental and vision coverage.

Completing the Retiree Election Form

Eligible retirees can begin submitting the Retiree Election Form thirty (30) days prior to their eligibility date and have until thirty (30) days AFTER the eligibility date to enroll in coverage.

You must submit a Retiree Election Form to EBD in order to be enrolled in retiree coverage.

These are the individual boxes you will see on the form and what EBD needs for each of them: Event date: Your last day of employment.

Date annuity begins: When you start drawing your retirement check.

Action requested: Enroll in the plan.

Retirement system: Mark the correct retirement system. Public School employees mark ATRS. Benefit option: Choose which plan you wish to enroll.

- If you or your covered spouse is Medicare eligible, you/your spouse can choose from the UnitedHealthcare MAPD or the Health Advantage Primary Plan. Medicare eligibility is determined by age 65 or older or by disability. Please include a copy of the Medicare card as soon as possible.
- If you and your covered spouse are NOT Medicare eligible, you can choose the Health Advantage Premium, Classic, or Basic Plan.

Coverage Level: Retiree only, Retiree and spouse, Retiree and child(ren), or Retiree and Family Dependents: Only dependents on your active health plan can be added as dependents on your retirement plan.

Sign and date your form and enter your email address.

Once eligibility requirements are met, the effective date of coverage is the first day of the month following the date EBD receives your completed application for your retirement health insurance.

Example: If EBD receives completed forms on 2/15, then coverage will begin on 3/1.

Arkansas Law allows a retiree a one-time option to enroll in the State and Public-School Retirement Health Plan. Enrollment is either at the time of eligibility or delayed enrollment due to current coverage on an employer-sponsored group health plan with a qualifying event of involuntary loss of coverage. Once you leave the ARBenefits retirement plan, you will no longer be eligible for participation in the plan. This decision is <u>FINAL</u>.

Once you become eligible for Medicare, please provide EBD with a copy of your Medicare card, indicating the start dates of both Medicare Part A and Part B coverage.

EBD may also request updated documents to maintain eligibility for our records.

This packet contains additional forms that may require your attention, including:

Retiree Election Form: The general form that all retirees must complete to select coverage. Authorization to Release Information: Allows authorization for another individual to access your medical information. If you have a Power of Attorney (POA) on file, you do not need this form.

ARBenefits Spousal Affidavit: This must be completed to add your spouse to the plan.

Colonial Life Retiree Deduction Authorization: If you want to continue with Colonial Life coverage with the state, you must complete this form.

Dental and Vision Form: These must be completed to add retirement dental and/or vision coverage.

Bank Draft Authorization Form: If your annuity is not enough to cover your premium or if you would like your premiums drafted from your bank account, you will need to submit this form.

Payment

EBD requires a check payment as the initial payment for retirement insurance.

If you choose to have your premiums taken from your annuity, it will begin the second month of coverage.

You can choose to have premium payments come out of your bank account or your annuity at any time.

About this plan

ARBenefits Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

About providers and network pharmacies

ARBenefits Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **retiree.uhc.com/ARBenefits** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Instructions

ALL PORTIONS OF THE ELECTION FORM MUST BE COMPLETED OR IT WILL BE SENT BACK FOR COMPLETION PRIOR TO PROCESSING.

Currently United HealthCare is the provider for the Group Medicare Advantage Plan (MAPD) plan and Health Advantage is the provider for the Medicare Primary Premium Plan. Each Medicare eligible member is required to maintain Medicare Part A & B coverage. A copy of the Medicare card is required for any subscriber and/or spouse/dependent.

ARBenefits Medicare Primary Premium Plan for retirees will coordinate as if Medicare Part A & B are both in force at the time of service. If the member does not have Part B, the plan will pay as though the member does have Part B coverage. The member will have full financial responsibility for incurred claims.

Public School Retirees who choose the Medicare Primary Premium Plan will NOT have pharmacy benefits through this plan. You will be required to obtain Medicare Part D for your pharmacy needs.

If you choose the UnitedHealthCare MAPD Plan and enroll in a separate Medicare plan outside of ARBenefits, you will automatically be canceled from ARBenefits coverage. If you have questions about your coverage, call ARBenefits before making your decision.

The Bank Draft Authorization Form, with VOIDED check attached, is required if your retirement annuity is not able to cover the full cost of your premiums. WE CANNOT PROCESS WITHOUT A VOIDED CHECK.

Your premiums are post-tax.

IF YOU CANCEL YOUR RETIREMENT INSURANCE OTHER THAN BY GAINING EMPLOYMENT WITH A STATE AGENCY OR PUBLIC SCHOOL, YOU WILL NOT BE ABLE TO COME BACK TO THE PLAN AND THE DECISION IS FINAL.

Completion of this form does not guarantee coverage on the retirement plan as certain conditions must be met in order to be enrolled on to either ARBenefits Retirement Plans.

RECIPROCITY SERVICE

- A retiree who is fully vested as a state employee AND fully vested as a public school employee (a participating member under both APERS and ATRS and drawing a retirement annuity from each may choose to enroll in with the ASE or PSE retirement health plan.
- A retiree who is not fully vested under either system, but has enough time between the two systems to be eligible for
 reciprocity service will be enrolled in the retiree health plan of the system with the most service.

VESTING

- State and Public School retirees changed from a ten (10) year vesting to a five (5) year vesting period effective 7/1/1997.
- Retirees with service prior to 7/1/1997 are still held to the ten (10) year vesting period.
- Non-teaching school retirees that are paid under Arkansas Public Employees Retirement System (APERS) have school rates.
- Most college and county employed retirees are NOT eligible under the State & Public School Retirement Health Insurance.
 Reciprocity services from these agencies do not make a retiree eligible for the health insurance.

Proof of dependent eligibility is required. Examples of required documentation: birth certificates, marriage licenses, court documents, and a Certificate of Credible Coverage (COCC) for loss of coverage.

lf adding dependent as a permanent legal guardian you must include court documents and they will be subject to annual review.

How secure is your family's financial future without you?

If something happened to you, would your family be able to maintain their way of life? How would they cover ongoing living expenses? Colonial Life's group term life insurance can help provide financial security for your family.

Why is group term life insurance a good option?

- Death benefit protection

- Coverage for specified periods of time, which can be during high-need years
- Benefit is typically paid tax-free to your beneficiaries

AD&D insurance provides benefits to help cover the additional expenses associated with an accidental death, as well as the high costs of recovery and rehabilitation required by an accidental dismemberment.

The AD&D full benefit amount is equal to your group term life insurance death benefit amount.

The following benefits are paid under the AD&D benefit:

If the loss is:	% of the full amount paid
Loss of life	100%
Loss or loss of use of both hands or both feet or sight of both eyes	100%
Loss or loss of use of one hand and one foot	100%
Loss or loss of use of one hand and sight of one eye	100%
Loss or loss of use of one foot and sight of one eye	100%
Loss of speech and hearing	100%
Loss or loss of use of one hand or one foot	50%
Loss of sight of one eye	50%
Loss of speech or hearing	50%
Loss of thumb and index finger of the same hand	25%

Additional benefits and services:

Seatbelts and Airbags – Pays if the cause of death or dismemberment is a car accident and if the covered person was using a seatbelt or airbag.

Built-in accelerated death benefit provides an advance of up to 75% of the death benefit, to a maximum of \$150,000, if the covered person is diagnosed with a terminal illness.¹

Health Advocate employee assistance program provides 24-hour confidential personal support and referral service, including a medical bill saver service. Face-to-face sessions and video counseling with mental health professionals are available.²

If you have questions about the consequences of naming a minor as a beneficiary, feel free to discuss with a legal or estate planning professional. Naming a Trust: Provide the name of the trust, the date the trust was established, and the address of where the trust is held. FREQUENTLY ASKED QUESTIONS

Who is eligible for coverage under a Delta Dental Individual and Family plan?

You must be an Arkansas resident and a State of Arkansas Retiree Program member to be eligible for coverage. Acceptance is guaranteed regardless of age, dental history or pre-existing conditions.

What are the age limitations for dependent children?

Dependent children can continue coverage until the end of the month in which they turn 26.

What services are NOT covered under this plan?

For a complete list of services not covered, please visit our website to view the Schedule of Benefits. General services that are not covered include:

- Tooth implants
- Tooth whitening
- Athletic mouth guards
- Braces and retainers
- Treatment for TMJ (temporomandibular joint disturbances)
- Services to correct cosmetic dentistry
- Dental care started prior to the date the patient became covered under this plan

People with dental insurance typically visit the dentist more often than those without, resulting in better dental and overall health.

Besides keeping your smile healthy, your dentist can also help identify more than 120 signs and symptoms of non-dental diseases —including heart disease and diabetes—before they become larger problems.¹

Prevention costs less than treatment. Most dental plans, such as Delta Dental Individual and Family, encourage prevention by covering the cost of exams, cleanings, X-rays and more in order to help prevent dental disease rather than to perform expensive, and sometimes painful, restoration work later.
