Agency Instructions

- Arkansas Public Schools may choose vendors from the QVL on an as needed basis per project based on the product offered, pricing, and other factors as determined by Arkansas Public Schools.

- Arkansas Public Schools may contact the vendor via email or telephone to check the vendor's availability for the project.
- Arkansas Public Schools will provide the chosen vendor with a Scope of Work (SOW). The SOW will outline the specifications of the project such as goals, requirements, and timelines.
- Arkansas Public Schools and the chosen vendor may negotiate pricing before project initiation. If the chosen vendor cannot provide pricing that fits into the Arkansas Public School's budget, Arkansas Public Schools may contact another vendor listed on the QVL.
- Arkansas Public Schools are responsible for issuance of any resultant contract with the qualified vendor.
- Arkansas Public Schools are responsible for reporting Service Contracts, if applicable, if the annual contract amount is at least \$25,000 but less than \$50,000.
- Arkansas Public Schools are responsible for submitting the proper documentation for Legislative Review, if applicable, should the annual contract amount be at least \$50,000 or the Total Projected Cost ever meet the threshold of \$350,000 for Service contracts.
